Gr. 2-5 *Physics of Motion*

Explore motion in our world through investigations involving the principles of physics. Students will construct rockets, roller coasters, aqueducts, and catapults to discover the relationship between energy and motion through engaging, hands-on activities.

**Spring Session**

6 Thursdays, 4:00-5:30 pm

**April 7 - May 12**

Hands-on explorations at

MTU’s Great Lakes Research Center (GLRC)

---

**Cost:** $75/student  **Register by Wed, April 6th**

Pay by credit card by calling MTU Cashier 487-2247

*(Your space is not reserved until payment has been received.)*

To register online: [www.wupcenter.mtu.edu](http://www.wupcenter.mtu.edu)

Questions? Call 487-3341 or email: jchadde@mtu.edu

*Note: Houghton school bus will drop off students at the GLRC by 3:45 pm*
