

After School Science & Engineering Classes

6 Thursday sessions

4:00-5:30 pm

Jan. 14 - Feb. 18

Hands-on explorations taught by Michigan Tech students
at MTU's Great Lakes Research Center (GLRC)

Gr. 1-2 *Engineering Explorations*

Students will design the best paste, a bridge to hold the most weight, a boat that floats, a brain helmet that survive a crash, the tallest tower to withstand a hurricane, and more!

Gr. 3-5 and Gr. 6-8 (2 classes) *Discover Your Creative Confidence & Inner Maker!*

Action-filled problem solving! Put your ideas into action and create the things of your dreams using a variety of materials. Tinker, dream, invent, and learn! Lots of fun!

Cost: \$75/student Register by Wed, Jan. 6th

Pay by credit card by calling MTU Cashier 487-2247

(Your space is not reserved until payment has been received.)

To online: www.wupcenter.mtu.edu
