

Get Outdoors, Michigan! Summit

9:00 am - 4:30 pm, Thursday, November 5
AmericInn in Silver City, MI

Who Should Attend?

YOU! Parents, educators, school administrators, health advocates, government officials, natural resources professionals, childcare providers, and others concerned about the future of our children in the out-of-doors.

Summit Goals:

- ◆ Raise awareness of how less time in nature affects the well-being of youth—emotional health, physical fitness, academics, and creativity.
- ◆ Identify strategies to reconnect families and nature.
- ◆ Develop local action plans to help get children outdoors.
- ◆ Network with youth-serving agencies, educators, schools, natural resources professionals and community leaders to increase family and youth engagement in the out of doors.
