
*** Fall Semester 2014 - TWO Credits! ***

Communicating Science

ED 3510 ~ TUESDAYS ~ 7:00-9:00 PM

Meets in 104 Great Lakes Research Center

Take the most fun class ever and earn TWO credits!
FREE dinner & transportation to family science & engineering nights.

This class provides real world teaching experience, improves your presentation skills, and gets you out in the community visiting elementary schools.

“This was one of the best classes I took at Tech!”
says a Mechanical Engineering senior.

Open to students from ALL departments.

Sample syllabus & schedule: <http://wupcenter.mtu.edu/college.html>

Family Science Night website:
