\*\*\* Fall Semester 2009 - Two Credits! \*\*\*

---

# Communicating Science Course

## ED 3510 ~ TUESDAYS ~ 7:00-9:00 PM

Take the most fun class ever and earn TWO credits!  
**FREE** dinner & transportation to family science nights.

This class will provide real world teaching experience, improve your presentation skills, and get you out in the community visiting elementary schools.

“This was one of the best classes I took at Tech!”  
says a Mechanical Engineering senior.

**Open to students from ALL departments. Approved for General Education Distribution (Science & Technology).**

**Course syllabus & schedule:** <http://wupcenter.mtu.edu/college.html>

**Family Science Night website:**

<http://wupcenter.mtu.edu/education/familysciencenight/> for photos of MTU students presenting and K-6 students having a blast!!
