About the Workshop

Explore Great Lakes shipping at this interdisciplinary workshop through presentations, hands-on activities, and special guided tours.

Explore the fascinating history and current Great Lakes shipping operations in your own backyard. Take a guided tour of the locks with the U.S. Army Corps of Engineers and learn the story behind this familiar landmark. Visit the U.S. Coast Guard Vessel Traffic Service to learn how shipping is coordinated on the St. Mary's River. Receive lessons and classroom materials.

Explore the *NEW* Great Lakes Maritime Transportation "treasure" chest now available for check-out from the EUP-ISD Math/Science Center.
