Spring Break Camp
for 1st - 6th Grade Students

Tuesday, Wednesday & Thursday, April 1-3, 9:00 am to 4:00 pm

Grades 1-3
Investigate Your World!
Students will conduct science experiments, solve engineering challenges, and enjoy making new discoveries!

Topics & activity possibilities:
- Bird brains and beaks: What is it like to be a bird?
- How do deer, moose, and wolves adapt to their environment?
- Outdoor activities

Instructors (MTU students):
Gwen Jacobsen
Megan Baker
Kathryn Allen

Grades 4-6
A Taste of Tech!
Explore what Michigan Tech has to offer, visiting labs & classrooms

Topics & activity possibilities:
- The science of exercise (Dept. of Exercise Science)
- Theatrical soaring (Dept. of Visual & Performing Arts)
- Blizzard Baja Vehicle (Dept. of Mechanical Engineering)
- Indoor recreation or snowshoeing at Tech Trails
- Guest presenters — university faculty & students

Instructor:
Chad Norman, Science & Technology Specialist
