

# A Guide to Geology Field Trips in Michigan's Upper Peninsula

*Now available @ \$18 per copy*

***Bring geology into your classroom!***

**Will be available free online: [wupcenter.mtu.edu](http://wupcenter.mtu.edu)**

*A Guide to Geology Field Trips in Michigan's Upper Peninsula* will soon be available! The guide is designed for middle/high school teachers, and those wishing to know about the unique geologic features of the U.P. The publication includes contributions from more than a dozen geologists and educators, and describes:

#### **Field Trip Locations:**

- Keweenaw Peninsula
- Porcupine Mountains Wilderness State Park
- Presque Isle Park (Marquette)
- Pictured Rocks National Lakeshore
- Fayette State Park

#### **Area Mines & Museums**

#### **Teaching Resources**

To order a printed copy, call the MTU Center at 906-487-3341.

Coordinated by the MTU Center for Science & Environmental Outreach

Funding was provided by Michigan Space Grant Consortium, Michigan Tech Dept. of Geological & Mining Engineering & Sciences, and Pictured Rocks National Lakeshore.
