

NOAA Assets Dinner and Dialogue

Presenter: Michelle Miller, Michigan Tech Graduate Student

\$ 500 mini-grants available to each participating LSSI team.

Dates: Thursday, February 5 &
Tuesday, February 17 (Work session)

Time: 4:00-8:00pm

Location: Copper Country Intermediate
School District

Cost: FREE to LSSI Teachers
Dinner will be provided both sessions

Credit: 6 SCECHs for attending both
sessions

The NOAA Educational Website is designed for K-12 teachers.

During the workshop teachers will:

- Explore several of the lesson plans, activities, and other resources available on topics including weather, climate change, the Great Lakes and more.
- Develop a lesson plan for use in your classroom.
- Receive a \$500 mini-grant to use towards supplies or other costs involved in implementing your lesson.
