

WINTER AFTER SCHOOL CLASSES MTU'S GREAT LAKES RESEARCH CENTER

Jan. 19-March 2

6 Monday sessions

4:00-5:30 pm

Hands-on science lessons at
Michigan Tech's Great Lakes
Research Center (GLRC)

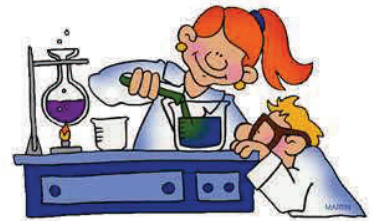

Gr. 1-3 *Under Your Feet Rocks!*

Learn about landforms, what the Earth is made of, and how volcanoes work! Explore mining, material recycling, and a classroom dinosaur dig!

Gr. 4-6 *Chemistry for Kids*

Create chemical reactions while learning about how new substances are formed or heat is produced. Observe differences in density, pH, and characteristics of liquids and solids... try your hand at solving a "crime" with chromatography!

Cost: \$75 per student; open to all

Pay by credit card: call MTU Cashier 487-2247

(Your space is not reserved until payment received.)
