To Check-Out Materials
Contact Loret Roberts,
General Education Secretary
Copper Country ISD
809 Hecla St., Hancock, MI
Tel: (906) 482-0331
Fax: (906) 482-5031
Email: loret@copperisd.org

- Check-out for up to 2 weeks.
- Books and activity kits sent through interschool mail. Buses from all Houghton County schools stop at the CCISD on Tuesday & Thursday mornings for pick up and drop-off of inter-school mail.
- Inter-school pickup of large equipment available, if the district’s driver is willing to transport fragile equipment.
- Delivery to GOISD and Baraga County schools can be arranged.

** The Center only loans materials to schools in the Copper Country ISD and Gogebic-Ontonagon ISD in the western Upper Peninsula of Michigan.

Resource Clearinghouse for Teachers
The Center has a wide variety of items available to loan to teachers in Houghton, Baraga, Keweenaw, Ontonagon, and Gogebic Counties, including standards-based science, math and environmental education activity guides, hands-on activity kits, children’s literature, and scientific equipment.

Enviroscape Model (2’ x 3’ table top)

Great Lakes Maritime Education Chest

Fossil Kit contains real fossils.

Resource Clearinghouse FREE to teachers in CCISD and GOISD

Western Upper Peninsula Center for Science, Mathematics and Environmental Education

Distributed through Inter-School Mail in Houghton County OR by arrangement to Baraga County & GOISD schools

View Complete List of Classroom Activity Kits, Children’s Literature, Curricula, Activity Guides, and Equipment ONLINE on Teacher page of the Center’s website:
